2016 International Conference on Management and Operations Research

Beijing Friendship Hotel, Beijing, China

Aug 12-14, 2016

<http://icmor.ustb.edu.cn>

2016 International Conference on Management and Operations Research (ICMOR 2016) will be held on August 12-14, 2016 in Beijing, a fantastic city shinning with the light of ancient and modern civilization. It has seven UNESCO World Heritage Sites and meanwhile is the most cosmopolitan city in China. The conference venue is Beijing Friendship Hotel, one of the largest garden-style hotels in Asia, which lies in the Hi-tech Development Zone in Zhongguancun and is near metro system.

The aim of the conference is to provide an attractive scientific program to highly qualified participants who would like to share their ideas, knowledge and experience in the fields of management and operations research. Submitted papers will be subject to a peer review process. All accepted papers will be published by CRC Press, a premier global publisher of science, technology, and medical resources, and selected ones will be indexed by ISI and EI. In addition, two SCI indexed journals, i.e., Optimization Methods & Software(OMS) and Journal of Intelligent and Fuzzy Systems(JIFS), have agreed to publish a special issue for the conference. You are invited to learn, give a talk and exchange ideas with international colleagues, as well as enjoy and experience the great city of Beijing!
